## 新發賣

# 子力可

健康與長壽  
之新條件  
是強化肝臟

子力可 (Zi Li Ke) is a liver-strengthening medicine. It is described as a new condition for health and longevity. The advertisement includes a list of symptoms it treats, such as weakness, lack of energy, and various ailments related to liver health. It is marketed as a 'miraculous medicine' for these conditions.

## 散利痛

止痛一減消

止痛一減消 (Pain relief, one reduction, one disappearance). This advertisement promotes '散利痛' (Salicylic acid) as an effective pain reliever. It shows a person in pain and a box of the medicine, suggesting quick relief.

## 安禽素

插花招生

安禽素 (An Qin Su) is a health supplement. The advertisement features an illustration of a person riding a horse, symbolizing strength and vitality. It mentions '插花招生' (Enrollment for插花, likely a course or school) and provides information about where to purchase the product.

## 華南汽車

初學英語

華南汽車 (Hua Nan Qi Che) is an advertisement for a car. It includes the text '初學英語' (Beginner English), suggesting a connection to education or a specific model. The illustration shows a person at a desk, possibly related to the car's features or the company's services.

## 花園洋房得主注意!

請注意!

Advertisement for a real estate or housing project. It addresses 'owners of garden houses' and provides details about the project, including location and contact information. The text is dense and contains specific information for potential buyers or tenants.

台灣省特種教育基金會理濟會公告

公告內容：關於特種教育基金會理濟會之相關事宜，包括經費撥付、學費減免等規定。公告旨在通知受助學生及其家屬，並提供申請程序。
